

# Virtual Pharmacy Products & Ordering

---

## Recommended Virtual Pharmacy Products & Ordering

Our website's Virtual Pharmacy gives you ability to order the *highest-quality professional and commercial supplements*, remedies, pet supplies, skin care, and more at a **20% discount**. All products are guaranteed, stored and shipped using properly controlled environments (unlike Amazon and others), and have exceptional customer service. Many people appreciate their free online info for products and questions. It truly is '**One-Stop Shopping**', while **SAVING YOU MONEY**.

If you haven't taken advantage of this wonderful cost-effective service, simply set up an account by going to my website and clicking online pharmacy- wellevate. Next fill in the required info on the Welcome page, then click '**create account**'. It's free, and it's 100% secure and private. Searching for future products is easy. Just type in any company name, product name, or item code (if known) in the search box. You can also search for hundreds of products of your own choice. Already have an account? Just click on '**Login**' at bottom of Virtual Pharmacy welcome screen.

**REMEMBER.... ALL products are discounted 20%. Always! (at checkout)**

This helpful list has many favorites Dr. Hamel uses, and much more. You can't go wrong. Note: At this time, a few companies are not carried on the Virtual Pharmacy such as standard process or medi herb, but there are *outstanding* related product options listed below.

\*\*\* = **top choice**

### **Multivitamin/Mineral:**

- PureGenomics Multivitamin – 60 caps. Pure Encapsulations (code: P16313).  
\***Note:** for COMT gene defects, where adenylyl or hydroxyl is preferred B12 form. 1 cap/day dose! Has methylated folate for better cell uptake. ALL Pure Encapsulations' multivitamins have active forms of B-vitamins. No binders, fillers, or excipients.
- Women's One Daily – 60 tabs. Innate Response (code: WOM54). A 100% food-based multi with all co-factors found in living food.
- Men's One Daily – 60 tabs. Innate Response (code: MENS0). A 100% food-based multi with all co-factors found in living food.
